The Metropolitan Golf Club ()
The Metropolitan Golf Club is one of Australia's premier golf courses. Tucked quietly in Melbourne's south eastern suburbs it is one of the renowned "sandbelt courses" and widely recognised as one of the finest golf courses in Australia. It has also been described as the Australian equivalent of Augusta National. The perfect fairways, marbletop greens and blindingly white bunkers all combine to offer a test of golf not seen previously in Australia. Metropolitan is a tough but fair test of golf.

Victoria Golf Club ()
Victoria Golf Club is, in many ways, similar to its neighbour Royal Melbourne. Its layout challenges players of all standards - deep bunkers catch errant shots both at the greenside and off the tee and the greens can be lightning fast. Victoria has hosted a number of major tournaments including the 2010-2011 Masters, 2002 Australian Open, multiple Victorian Opens and other National tournaments.

Transfer to Kingston Heath Golf Club

Kingston Heath Golf Club ()
Kingston Heath Golf Club is universally regarded as one of the best manicured courses in Australia and arguably the world. Its strategic bunkering and clever use of dips and hollows fools the non observant golfer and any deviation from the fairway is generally met with a challenging recovery. The course was built on a compact parcel of land resulting in some of the best short par 4's and world class par 3 holes.
