Day 1

The Metropolitan Golf Club (Tee time TBC)

The Metropolitan Golf Club is one of Australia's premier golf courses. Tucked quietly in Melbourne's south eastern suburbs it is one of the renowned "sandbelt courses" and widely recognised as one of the finest golf courses in Australia. It has also been described as the Australian equivalent of Augusta National. The perfect fairways, marbletop greens and blindingly white bunkers all combine to offer a test of golf not seen previously in Australia. Metropolitan is a tough but fair test of golf.

The Royal Melbourne Golf Club is a 36 hole private members club located in the heart of the world famous Melbourne Sandbelt golf region. The West Course is regularly rated as the number one rated golf course in Australia (and was recently ranked number 6 in the world) and was designed by world renowned golf course architect Dr Alistair MacKenzie. The natural peaks and troughs in the terrain have been used to maximum benefit with strategically designed and memorable holes throughout.

Day 3

Victoria Golf Club (Tee time TBC)

Victoria Golf Club is, in many ways, similar to its neighbour Royal Melbourne. Its layout challenges players of all standards - deep bunkers catch errant shots both at the greenside and off the tee and the greens can be lightning fast. Victoria has hosted a number of major tournaments including the 2010-2011 Masters, 2002 Australian Open, multiple Victorian Opens and other National tournaments.

Day 4

Yarra Yarra Golf Club (Tee time TBC)

The architect of this renowned Sandbelt course was Alex Russell who, in 1926, formed a partnership with the famed Dr Alister MacKenzie during his visit to Australia. Today, the course remains substantially the same as the original layout and like all great golf courses, has stood the test of time. The superb greens and bunkers are the highlight at Yarra Yarra and as good as many of MacKenzie's own creations. Typically large, fast and undulating, the greens feature some of the most extreme slopes in Melbourne, while the bunkers are constructed to blend naturally with their surrounds and are intrinsic to the strategy of each hole. The course has been the scene of many major tournaments in its history, leading to world-wide recognition by amateurs and professionals alike.

Day 5

Kingston Heath Golf Club (Tee time TBC)

Kingston Heath Golf Club is universally regarded as one of the best manicured courses in Australia and arguably the world. Its strategic bunkering and clever use of dips and hollows fools the non observant golfer and any deviation from the fairway is generally met with a challenging recovery. The course was built on a compact parcel of land resulting in some of the best short par 4's and world class par 3 holes.
