Day 4

Commonwealth Golf Club (18 holes of golf with pull buggy)

With a heritage dating back to 1920, Commonwealth Golf Club is revered for its magnificent, tree lined fairways, strategic bunkering and subtle sloping greens which call for accurate shot making and makes Commonwealth a true test for golfers of all abilities. The course was designed by club Captain Charles Lane, who learned his craft from the world renowned Alister Mackenzie and Harry Colt. The guiding principles were to create a visually interesting, engaging layout where bunkers and hazards were intended to encourage strategic play. All 18 greens were then re-designed in the mid 1930s under the guidance of administrator Sloan Morpeth who determined that no two greens be the same in shape and design. The course remains true to these principles today.

Day 5

Kingston Heath Golf Club (18 holes of golf with pull buggy)

Kingston Heath Golf Club is universally regarded as one of the best manicured courses in Australia and arguably the world. Its strategic bunkering and clever use of dips and hollows fools the non observant golfer and any deviation from the fairway is generally met with a challenging recovery. The course was built on a compact parcel of land resulting in some of the best short par 4's and world class par 3 holes.

The Metropolitan Golf Club is one of Australia's premier golf courses. Tucked quietly in Melbourne's south eastern suburbs it is one of the renowned "sandbelt courses" and widely recognised as one of the finest golf courses in Australia. It has also been described as the Australian equivalent of Augusta National. The perfect fairways, marbletop greens and blindingly white bunkers all combine to offer a test of golf not seen previously in Australia. Metropolitan is a tough but fair test of golf.

Victoria Golf Club

Park Road, Cheltenham, VIC, 3192

Australia

Region: Melbourne Sandbelt

Victoria Golf Club is, in many ways, similar to its neighbour Royal Melbourne. Its layout challenges players of all standards - deep bunkers catch errant shots both at the greenside and off the tee and the greens can be lightning fast. Victoria has hosted a number of major tournaments including the 2010-2011 Masters, 2002 Australian Open, multiple Victorian Opens and other National tournaments.

Woodlands Golf Club

White Street, Mordialloc, VIC, 3195
Australia
Region: Melbourne Sandbelt

Woodlands Golf Club is a very underrated sandbelt course and somewhat of a hidden gem. Highly regarded by golfing purists, the championship layout features small and fast greens. The narrow fairways are all pure couch and offer a great surface from which to play. There are many bunkers to overcome, particularly the long bunker shots to pins which always seem too close to the bunker edge.

Yarra Yarra Golf Club

567 Warrigal Road, Bentleigh East, VIC, 3165
Australia
Region: Melbourne Sandbelt

The architect of this renowned Sandbelt course was Alex Russell who, in 1926, formed a partnership with the famed Dr Alister MacKenzie during his visit to Australia. Today, the course remains substantially the same as the original layout and like all great golf courses, has stood the test of time. The superb greens and bunkers are the highlight at Yarra Yarra and as good as many of MacKenzie's own creations. Typically large, fast and undulating, the greens feature some of the most extreme slopes in Melbourne, while the bunkers are constructed to blend naturally with their surrounds and are intrinsic to the strategy of each hole. The course has been the scene of many major tournaments in its history, leading to world-wide recognition by amateurs and professionals alike.
