WELCOME

Lively and incredibly picturesque, Queenstown is a great destination to go and play golf and take in the awe-inspiring backdrops as well as enjoy what the surrounding countryside has to offer. Below is a suggested itinerary that might suit the group brilliantly, all arrangements are subject to availability.

Accommodation:

We have included Glebe Apartments, which have always been well received by our clients, which sit within close range of the centre of Queenstown. Beautifully appointed and well located these apartments make a great choice for any stay in Queenstown. They can offer 3 bedroom apartments with views over the nearby mountains. Each of these apartments can accommodate 3 couples or 3 single occupancy rooms, alternatively we could have two singles and a double room. Room configuration can be worked out when making the final arrangements.

Golf:

Golf has been included at the following quality courses in the Queenstown area:

Millbrook Resort: Millbrook Resort's spectacular par 72 championship golf course, designed by New Zealand's renowned master golfer, Sir Bob Charles, is enjoyed by enthusiasts from around the world.

Arrowtown Golf Club: One of New Zealand's most historic and scenic regions. The golf course is surrounded by mountains and has superb views from every fairway. Historic stone cottage ruins nestle amongst towering trees, a legacy of Arrowtown's pioneers.

Queenstown Golf Club: Another wonderfully picturesque course surrounded by the Remarkable mountain range. This course is certainly on the list of courses you want to play in Queenstown.

Jack's Point: Bounded by the Remarkables mountain range and Lake Wakatipu, the course traverses through wetland to the lake edge encountering steep bluffs, indigenous vegetation and wildlife. Our pick of the courses, so we have suggested taking on the challenge twice.

Flights/Transfers:

Transfers will be organised for the group throughout, including picking up at the airport and taking the group to and from golf on all days. You will be taken good care of in smart and comfortable vehicles throughout, so sit back and enjoy the ride.

Flights with Air New Zealand are included, however please note that the rate is subject to change until we have funds on file to complete the payment or secure the price. In the pricing below we have covered the cost of additional luggage that would allow you to take your clubs with you at the most economical value. The price of flights is subject to change and based on current pricing.

Sightseeing:

Queenstown is a mecca when it comes to sightseeing. There is so much to do! We have included the famous Shotover Jet boat ride as an activity on the tour.

This tour is sure to excite your senses and blow away any cobwebs you may have.

Jack's Point | 10:00 AM tee time TBC (12 golfers with shared motorised carts)

The course is bounded by the Remarkables mountain range and Lake Wakatipu. It traverses through wetland to the lake edge encountering steep bluffs, indigenous vegetation and wildlife. It is designed to work with nature, not against it. Fairways are designed with minimal excavation and careful plantings to complement the natural environment, but also to give the golfer a fighting chance. Jack's Point is sited on the elbow of Lake Wakatipu and at the foot of the Remarkables mountain range. It's the largest parcel of land to be comprehensively developed by one entity in the history of New Zealand.
