Welcome

GOLFSelect, in affiliation with our New Zealand partners, invite you to the inaugural 2016 Queenstown International, set in one of the most stunning locations in the world.

Join our hosts, professional golfers Greg Turner and Lucas Parsons, for this international teams event which brings together the best that the Queenstown region has to offer, stunning golf courses, amazing local cuisine and Central Otago's world famous Pinot Noir.

2016 QUEENSTOWN INTERNATIONAL

The 2016 Queenstown International will be played across three days, with two rounds at magnificent Millbrook Resort and one round at Jack's Point, set right at the foot of the Remarkables Mountain Range with armchair view of Lake Wakatipu.

Male and female golfers over the age of 25 and all handicap levels. The 2016 Queenstown International is a team's competition. You can make your own team up with any combination of players and if you don't have a team of four we can make a team for you.

This 3 round tournament promises to offer golfers from all over the world a fantastic week, with a but of competitive edge thrown in for good measure. Teams will compete for overall prizes for the lowest nett score over the 3 rounds, as well as daily prizes. All prizes will be presented at the closing ceremony and farewell dinner.

YOUR HOSTS

Greg Turner is one of New Zealand's most successful professional golfers, having spent most of his career on the PGA Tour of Australasia and the European Tour. Greg won four tournaments on the European Tour and has represented New Zealand in international competitions many times. One of his 'international caps' was in the winning International Team in the 1998 Presidents Cup. Since retiring from tournament golf, Turner has set up a golf course design and corporate hospitality business.

Lucas Parsons is a well known golfer throughout Australasia, having won both the Australian and New Zealand Amateur Championships in 1991 before turning professional and joining the PGA Tour of Australasia where he won seven tournaments including the New Zealand Open (1995) and the Greg Norman Holden International (2000). He went on to play for a time on the European Tour where he won two tournaments. Having retired from tournament golf at the end of 2008, Lucas now manages a café in the hip Sydney suburb of Randwick. Lucas's culinary talents were discovered in 2009 when he was a finalist in the reality television cooking show MasterChef Australia.
