## Welcome

You'll want to frame your scorecard, no matter what you shoot. Golf on Maui is that memorable. This itinerary has you staying at a wonderful 5 star property (Sheraton Maui) and playing 5 very memorable golf courses (several of which are ranked at or near the top of the "world's best" lists) designed by noted course architects and golfing luminaries such as Arnold Palmer and Ben Crenshaw.

You'll see why it's difficult to imagine a more dramatic setting for these 18-hole masterpieces, with fairways abutting ancient lava flows, tees surrounded by palm groves, and greens arched by rainbows formed in the ocean mist. Views at Wailea and Kapalua are intoxicating. The hardest thing you will need to work out is what date you want to come back.

### Day 3

 Drive to golf.

 **Ka'anapali Kai Course** (18 holes golf with shared motorised cart)  
The 6,400 yard par 70 Kaanapali Kai Course provides a more forgiving layout than its counterpart, the Royal Kaanapali Course, making it a great resort experience for all skill levels. Round strategy is more important than distance on this course built upon an old sugarcane plantation. After a 2008 renovation, the Kai Course played host to the ladies of Golf Channel's Big Break Kaanapali.

 Drive to golf.

 **Kapalua - The Bay Course** (18 holes golf with shared motorised cart)  
Arnold Palmer and Francis Duane designed The Bay Course. The Bay Course is a 6,000-meter par 72 with gently rolling fairways and generous greens. The Bay Course is an excellent example of resort golf at its best.
