## ITINERARY DAY-BY-DAY

---

### Day 1

---

-  Depart Melbourne on your flight to Haikou
  -  Meet and greet by our representative at Haikou Airport and be transferred to your accommodation.
  -  Check in to your accommodation. Day at your own leisure.
- 

### Day 2

---

-  **18 holes of golf with shared motorised carts**  
After breakfast transfer to golf. Return transfers provided
- 

-  **Mission Hills Hainan - Stone Quarry** | 09:30 AM tee time TBC (18 holes of golf with shared motorised carts)  
As a tribute to the many fine courses of Pete Dye, mentor to the Schmidt-Curley team, this course showcases all the wild-ride features associated with his designs. Railroad tie sleepers, abrupt mounds, and moguls, long sandy waste bunkers, devilish sometimes small greens and rail-road car bridges all create a distinct look. These features are proven all the more dramatic as the course snakes through ancient volcanic quarry's supported by steep rock walls and timbers. The dramatic landscape features remnants of days past including coal cars, railroad tracks, and abandoned mining equipment. The course is rather 'sporty' in nature, demanding shot making over brute strength and provides a welcoming option to many of today's long courses.
- 

### Day 3

---

-  **18 holes of golf with shared motorised carts**  
After breakfast transfer to golf. Return transfers provided
- 

-  **Mission Hills Hainan - Lava Fields** | 09:30 AM tee time TBC (18 holes of golf with shared motorised carts)  
While similar in many respects to the Tournament Course with its irregular lines of turf and wild bunkering, Lava Fields presents far less tree cover. There is a feel of expanse that creates a big look and the black rock and sand dominate the landscape like no other course in the world. At 7400 yards, it too is capable of hosting significant events.
- 

### Day 4

---

-  **18 holes of golf with shared motorised carts**  
After breakfast transfer to golf. Return transfers provided. Enjoy the live show; Impression Hainan in the evening.
-

---

## **Mission Hills Hainan - Blackstone** | 09:30 AM tee time TBC (18 holes of golf with shared motorised carts)

The crown jewel is the Blackstone Course, a spectacular 350 acre core golf course that weaves through a striking landscape of mature trees, thick jungle vegetation, and expansive lakes and wetlands. The dominating site characteristic is the bed of lava rock which was capped with material located 25 miles away. The naturally rolling terrain sees dramatic elevation change and great care was taken to find as many natural holes as possible to avoid cutting the rock and to preserve the magnificent Lychee trees.

---

### Day 5

### Mission Hills Hainan - Lava Fields

1 Mission Hills Boulevard, Haikou, Hainan, HK, 571155  
China  
*Region:* Hainan - China

While similar in many respects to the Tournament Course with its irregular lines of turf and wild bunkering, Lava Fields presents far less tree cover. There is a feel of expanse that creates a big look and the black rock and sand dominate the landscape like no other course in the world. At 7400 yards, it too is capable of hosting significant events.

### Mission Hills Hainan - Meadow Links

1 Mission Hills Boulevard, Haikou, Hainan, HK, 571155  
China  
*Region:* Hainan - China

Based upon the traditional US Open courses of the eastern United States, this layout features lay-of-the land sensibilities and somewhat geometric shapes in both bunkering and fairway lines. Distinctive features such as the fabled 'Church Pew' bunkers make for a unique look where grass-faced bunkers and native grasses give the course an open meadow feel with occasional clusters of trees. Large greens create difficult putting opportunities.
