## Welcome

This 8 night, 6 game Vietnam package is as good as it gets, if you are keen to play the best courses in Vietnam.

You will be based in Danang for the first 6 nights of the trip and will use this as your base to play on 4 wonderful golf courses in the region. Each golf course with incredible natural settings and each course being very different in experience and layout. On your day away from the golf course you will also experience a day tour that includes enjoying some wonderful coastlines, along with loads of culture and history, as well as time for some shopping.

The final two nights of the trip will see you based 2 hours from Ho Chi Minh city. Staying at the 5 star Grand Ho Tram and playing twice on one of Asia's finest golf courses. **The Bluffs Golf Club** was designed to capture the true essence of links-style golf. Set on the coastline -- as almost all great links courses are -- The Bluffs is routed over and around towering sand dunes, which have been shaped over thousands of years by the elements. The wind plays a major role in the experience here; it's always strong, and its prevailing direction differs depending on the time of year. A great way to finish the trip!

This great trip is open to golfers but also it has huge appeal for non-golfers, making this the perfect getaway whether with fellow golfers, a non-golfing partner or with the family.
