Welcome

Experience the best of golf in Scotland and the thrill of the final two days at the 2018 Open Championship at Carnoustie. Combining golf on the best courses in Scotland (including Ballot tee times on the Old Course at St Andrews) the trip promises to be highly memorable.

The trip commences in the historic region of St Andrews where you will stay for 4 nights (less than 200 metres from the first tee of the Old Course) and experience all that this famous area has to offer. The first 3 days of golf provide a 'wow' factor like no other - St Andrews New Course, St Andrews Old Course (ballot) and the spectacular Kingsbarns.

Apart from the world-class golf the charm of St Andrews cannot be underestimated and you will find yourself immersed in the history of golf over the last 700 years.

From St Andrews we will head north to the charming town of Inverness for 4 nights, with its breathtaking scenery and famous lochs. Golf in the Scottish Highlands is an incredible experience, and you will be dazzled by the links at Nairn, Castle Stuart and the highly regarded and very popular Royal Dornoch.

Following your time in Inverness we head back towards the North Sea to the township of Aberdeen, which will be our base for the final 5 nights. Golf at Trump International, Royal Aberdeen and the magnificent Cruden Bay, as well as spending the Friday and Sunday at the Open Championship at Carnoustie...where the winner will receive the famous Claret Jug.

Carnoustie is widely regarded as one of the toughest courses on The Open Rota. Most golfers will recall Jean van de Velde's epic loss in the 1999 Open Championship, where he famously took on the 'Barry Burn', capitulating with a triple bogey 7 on the 72nd hole to scrape his way into a play-off, won by Paul Lawrie. The 2018 Open is sure to provide its fair share of thrills.

This memorable trip finishes with a farewell dinner in Aberdeen where we will recount stories of "what could have been", "what was" and "what will be" and departure is on the morning on July 23, 2018. Of course you may choose to extend your trip beyond this time where we can certainly organise further golf and accommodation arrangements on your behalf.

**** Non-Golfing Partners ****

At each location we visit during this tour we can certainly provide a good range of sightseeing options for the non-golfing partner. There are a range of walking trails, shopping tours, local cooking classes, Castle tours, Distillery tours and many more attractions to keep non golfers entertained during this fantastic tour.

Carnoustie Golf Links - Championship Course (** Watch the Day 3 at The Open **)

Golf has been played over the links at Carnoustie Golf Links since the 1500s, but the present course came into being in 1850 when it was designed by Alan Robertson of St Andrews. It has had some modifications since then, however since 1937 it has remained untouched. Carnoustie provides the same challenge for the modern golfer that confronted players nearly 70 years ago.
