Golf Courses

Kingston Heath Golf Club

Kingston Road, Cheltenham, VIC, 3192
Australia
Region: Melbourne Sandbelt

Kingston Heath Golf Club is universally regarded as one of the best manicured courses in Australia and arguably the world. Its strategic bunkering and clever use of dips and hollows fools the non observant golfer and any deviation from the fairway is generally met with a challenging recovery. The course was built on a compact parcel of land resulting in some of the best short par 4's and world class par 3 holes.

Spring Valley Golf Club

619 Heatherton Road, Clayton South, VIC, 3169
Australia
Region: Melbourne Sandbelt

Spring Valley Golf Club is one of those underrated golf courses located in the middle of the Melbourne Sandbelt. It is not a course that you may have heard about (compared to its famous neighbours) and this is what makes it even more alluring. From the time you drive in the new sweeping driveway and up to the multi million dollar new clubhouse which sits atop the 9th and 18th greens you will enjoy your day at Spring Valley.

The Metropolitan Golf Club

Golf Road, Oakleigh South, VIC, 3167
Australia
Region: Melbourne Sandbelt

The Metropolitan Golf Club is one of Australia's premier golf courses. Tucked quietly in Melbourne's south eastern suburbs it is one of the renowned "sandbelt courses" and widely recognised as one of the finest golf courses in Australia. It has also been described as the Australian equivalent of Augusta National. The perfect fairways, marletop greens and blindingly white bunkers all combine to offer a test of golf not seen previously in Australia. Metropolitan is a tough but fair test of golf.

The Royal Melbourne Golf Club (Presidents Cup Course)

Cheltenham Road, Black Rock, VIC, 3193

Region: Melbourne Sandbelt

Yarra Yarra Golf Club

567 Warrigal Road, Bentleigh East, VIC, 3165
Australia

Region: Melbourne Sandbelt

The architect of this renowned Sandbelt course was Alex Russell who, in 1926, formed a partnership with the famed Dr Alister MacKenzie during his visit to Australia. Today, the course remains substantially the same as the original layout and like all great golf courses, has stood the test of time. The superb greens and bunkers are the highlight at Yarra Yarra and as good as many of MacKenzie's own creations. Typically large, fast and undulating, the greens feature some of the most extreme slopes in Melbourne, while the bunkers are constructed to blend naturally with their surrounds and are intrinsic to the strategy of each hole. The course has been the scene of many major tournaments in its history, leading to world-wide recognition by amateurs and professionals alike.
