Welcome

GOLFSelect, in conjunction with hosts Events Travel, welcome you to join the Fiji Golf Week 2022. This is a friendly golf competition and opportunity to unwind, relax and enjoy 'island life' - where time slows, the water is warm and palm trees sway in the gentle sea breeze.

Taking place from **27 August - 3 September, 2022**, Fiji's two best golf courses will host a four-round tournament, open to golfers of all abilities. Non-golfers are welcome too and there's plenty of activities on offer.

With daily prizes for individuals, teams and aggregate winners, you will enjoy a friendly camaraderie and a chance to test your skills against friends, family and other golfers from around the world. Come the final day of play, there will be one Fiji Golf Week Champion who will win a return trip for two to defend their title at FGW 2023 (including flights).

How it works:

Each player will play two rounds at Denarau and two rounds at Natadola, with each round an AM or PM shotgun start. Motorised carts are included on a shared basis and all players have access to range balls and club house facilities at both courses.

The draw will be provided at golf registration on arrival to Fiji. Groups who book together will play together, although this may not be possible for last minute bookings and odd numbered groups.

Winners will be selected from the aggregate four-round Stableford totals, with countbacks per nine-holes if required. The overall Fiji Golf Week Champion will win a trip for two to Fiji Golf Week 2023 to defend their title!
